

# **NEW TO EXHIBITING? START HERE!**

**Thinking of showing off your material  
but not sure how?  
It is not as hard as you might think!**

SWANPEX offers an opportunity for new or novice exhibitors to have a go by submitting an entry in Club Class.

All you need is enough material to fill a frame (16 pages), about a subject (any subject – be creative), or if that is too much you could try for ½ a frame.

Add some write up about the subject and the material being used to illustrate the topic and you are on your way.

There are rules about page sizes and the use of protectors. The easy way out is to use quality heavy duty cut down (shortened) A4 pages and page protectors.

You could win the trophy – someone has to, and as they say – you have to enter to be a chance.

Entries are judged by an expert panel as well as the general public.

For more details, see the prospectus (on the WAPC website) or ask someone on the Committee.
