COMMENTS

- The Archive is still a work in progress. As long as the WAPC continues, there will always be records to add.
- Thank you for granting permission to enter the WAPC website as an exhibit entry.
- Rockingham / Kwinana is now abbreviated to RKDPS (instead of PSRKD), in line with their flyer.
- I have NOT uploaded the most recent newsletter from SAPC because it was far too big for the website, even with some serious tweaking.
