

# Fun with Stamps – 10

## Stamp Categories

This is a kind of treasure hunt on a table!

### You will need:

- a selection of about 30 stamps
- paper and pencils
- small pieces of paper with letters A, B, C, etc, written on them.

### How to play:

1. As a group, decide what your categories will be (or use the ones given below).
2. Everyone needs to draw up a grid with the categories at the top.
3. Arrange the stamps face up on the table so that everyone can see them clearly.
4. Put the pieces of paper with letters on them in a hat or a box.
5. Choose a letter from the hat.
6. Everyone in the group must try to find something in the stamps that both fits the category and starts with the correct letter.

### You score like this:

An answer no-one else has = 2 points

An answer others have also = 1 point

No answer (or incorrect) = 0 points

The first one is done for you to give you the idea. The letter is S
