Stamp Poems

We've made up a little poem about stamp clubs for you.

The first letter of the word **CLUB** is **C**, so it starts the first line. **L** starts the second line, and so on.

Collect the stamps from family letters!

Lots of stamps, the more the better!

Used stamps, mints - the pile keeps growing

Books and albums overflowing!

See if you can write a poem about **STAMPS!**

The first line starts with **S**, the second with **T**, and so on ...

S _____
T _____
A _____
M _____
P _____
S _____

We could make a poster with a poem on it to advertise our stamp club!

Yes, other people might want to come and join!
