

# Fun with Stamps – 3

## Stamp Mind Benders

### CELEBRITY STAMP HEADS

#### You will need:

- a selection of cards, each with a stamp stuck on it
- 3 cardboard ‘crowns’ or headbands with slits for the cards to go in (dress-up hats may be used as an alternative)

#### How to play:

1. Three people are chosen to be the ‘stamp celebrities’.
2. Each wears one of the crowns with a stamp card on it.
3. The stamp celebrities take turns to ask questions about their identities.
4. The group can only answer ‘yes’ or ‘no’...so you couldn’t ask, for example, ‘Am I old or young?’
5. The first person to guess his or her identity is the winner.

Am I a form of transport?

Am I a female?

Am I an animal?

### MYSTERY WORDS

#### How to play:

1. Divide the group into two teams.
2. The two teams face each other, one team facing away from the blackboard.
3. The leader writes a word on the board. (Use the glossary for some ideas.)
4. Players who can see the word give hints about it, while the others try to guess it.

It's got a rude word at the end of it!

You keep stamps in it.
