

Fun with Stamps – 4

Stamps With A Message

These activities take little or no preparation!

TALKING HEADS

You will need:

- a selection of stamps
- paper
- pens
- glue

Do you like my hair?

Frankly, I'd rather be BALD!

What to do:

1. Find some stamps with interesting or funny pictures on them.
2. Use your imagination to invent some things that the people or things on the stamps might be saying.
3. Make up a conversation between characters on the same stamp, or make one stamp talk to another!

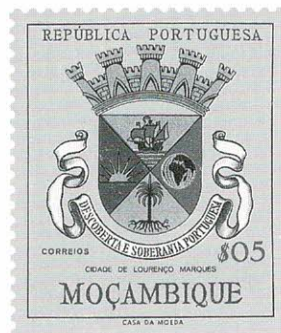

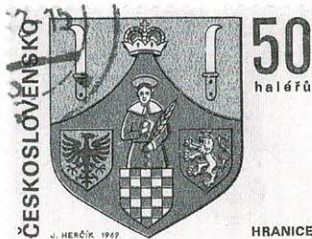

Whoops... I think I've split my pants!

MAKE YOUR COAT OF ARMS

You will need:

- paper
- coloured pencils or felt-tip pens
- a variety of stamps
- glue
- scissors (optional)

What to do:

1. Choose five or six stamps that have particular interest or meaning for you.
2. Use the stamps to form part of a coat of arms.
3. Colour in your design before you glue on the stamps.
4. You may wish to write why you chose particular stamps, for example, 'I chose the Sydney to Hobart race stamp because I love sailing' or 'I care about the environment, that's why I chose this beautiful bird stamp'.
5. When your coat of arms design is complete, you may want to cut it out so that it looks more like a shield.
