

# Fun with Stamps – 8

## Stamp, Jump and Skip

Here's a skipping rhyme to learn. You need a long rope with two people turning the ends.

*In our club we like to skip  
So call a stamp and take a trip*

Germany!

After chanting out the rhyme, skippers take turns to call out a country as they skip through the rope in single file. (Have a look at your collection of stamps for names of some interesting countries.)

Here are some SKIP STAMP rhymes for you to skip to: ONE and TWO and THREE and FOUR.... (See if you can work out the missing words!)

Skippy skips as well as you  
I've got a stamp with a

\_\_\_\_\_.

My tummy's aching worse and worse  
I've got a stamp that shows a

\_\_\_\_\_.

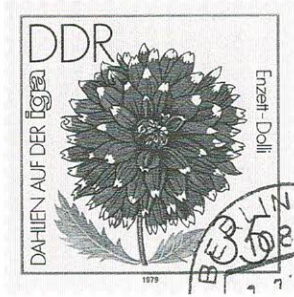

My legs are shaking like a jelly  
I've got a stamp that shows

\_\_\_\_\_.

I keep skipping more and more,  
I've got a stamp with a \_\_\_\_\_.

Try making up some SKIP STAMP rhymes about these stamps.

You could make SKIP STAMP rhymes about interesting stamps of your own.
